

As a member of New York Network Management IPA,

You may be entitled to **VIP enrollment status**. Based on your value to our network as a physician delivering quality care to patients we will recognize your priority status.

A **VIP - "Very Important Provider"** at New York Network Management IPA means that you will receive first class service in times of need, any requests will be escalated to the the VIP department.

You've earned it, now relax as we believe 'Service is Everything' at NYNM.

VIP elite benefits:

- **VIP Online** - NYNM will assist you with your online presence, our web experts will build you a customized website for your practice. Online marketing tools are also included at no charge for our elite members.
- **VIP Analytics** - NYNM has access to your practice billing trends and analytics, our dedicated experts will analyse your claims history and provide you with reporting and valuable feedback to help reduce erroneous billing errors.
- A dedicated provider representative - You will know them by name.
- VIP private invites to industry seminars, webinar and dinner meetings.
- Free training for your billing staff on current correct billing protocols - NYNM will pick up the cost to train your staff and update them on current year billing policies.
- **OMA - Office Managers Association**; your office manager will be automatically enrolled in our OMA private group membership and will be given the opportunity to earn rewards for correct billing practices.
- **Private Access** - You and your office manager will have access to after hours service and will be given private numbers to reach our VIP department no matter what time it is.
- VIP meetings with insurance plan executives with the opportunity of having your voice heard.
- **VIP Private Updates** - be the first to know about NYNM contract changes, new agreements and opportunities.
- **VIP Voice** - A monthly meeting of the minds with our VIP members to discuss improvement ideas, strategies and areas of opportunity.
- **VIP Technology** - NYNM invites our VIP members to voice their opinions, ideas and concerns regarding day-to-day processes. Together NYNM will continue to build our technology applications with you in mind. VIP members will also receive discounts and savings on practice management solutions through our negotiated rates.
- **VIP Onsite** - As an elite member of our network if you require an onsite visit from a NYNM representative for any reason at all we will have someone at your office within 24 hours of your request.
- **VIP ClaimsChannel360** - Our new online billing portal allows you to submit your electronic claims at no cost, receive electronic funds transfer to your bank immediately and be the first to know of updates plus improvements to our new one of a kind online portal.
